

PREFACE

“Knowledge will forever govern ignorance; and people who mean to be their own governors, must arm themselves with the power which knowledge gives.”

– James Madison

It is my pleasure to present the **Fourth Edition** of the Frequently Asked Questions’ booklet, being published at the behest of the Central Board of Excise and Customs.

The tenet of voluntary tax compliance is the corner stone of service tax administration. It is our endeavour to place as much information about service tax procedures as possible in the public domain to preclude a non-compliance owing to lack of information and guidance. Dissemination of information and public awareness has been accorded high priority by the service tax administration. Information in the booklet is purely as a measure of public facilitation.

The Directorate has made a conscious effort to keep the language of the answers simple and crisp. The questions are truly frequently asked, as experienced by the Board, Directorate and the field formations. However, the booklet is not aimed to discuss the legal issues and exceptions.

The provisions of the relevant Finance Act, notifications and circulars or instructions of the Board shall prevail over the answers provided in this booklet in case of any contradiction. While every effort has been made to ensure that the information contained in this booklet is up-to-date, the Central Board of Excise and Customs and Directorate General of Service Tax, Mumbai do not hold themselves liable for any consequences, legal or otherwise, arising out of the use of any such information.

I sincerely acknowledge the remarkable efforts made by Shri Pranesh Pathak, Additional Director, Shri Rakesh Ladwal, Assistant Director Shri D.P. Kulkarni Supdt. of this Directorate in bringing out this edition of the booklet. I would also like to express my appreciation and thanks to the Shri Pawan Kumar Sinha Additional Commissioner CCO Customs Ahmedabad and Shri Shirish S. Gogate Inspector, LTU Mumbai who had put in hard work while working in DGST, for publishing the earlier version of this booklet. Last but not the least, I acknowledge the contribution of the Central Board of Excise & Customs for providing their valuable inputs and guidance.

If you have any doubts, please contact your nearest Help Centre or Central Excise Commissionerate/ Service Tax Commissionerate – visit www.cbec.gov.in and www.exciseandserviceta.nic.in to find the addresses and telephone numbers for further clarification.

I hope that this booklet will be useful in providing basic knowledge about service tax laws and procedures. These FAQs and answers will also be available on the official website of the Central Board of Excise and Customs: www.cbec.gov.in.

This Directorate will welcome your suggestions to make this booklet more useful.

SERVICE TAX FREQUENTLY ASKED QUESTIONS

1. General

1.1. What is Service Tax and who pays this tax?

Service tax is, as the name suggests, a tax on Services. It is a tax levied on the transaction of certain services specified by the Central Government under the Finance Act, 1994.

It is an indirect tax (akin to Excise Duty or Sales Tax) which means that normally, the service provider pays the tax and recovers the amount from the recipient of taxable service.

1.2. Who is liable to pay service tax?

Normally, the 'person' who provides the taxable service on receipt of service charges is responsible for paying the Service Tax to the Government (Sec.68 (1) of the Act). However, in the following situations, the receiver of the Services is responsible for the payment of Service tax :

- (i) Where taxable services are provided by foreign service providers with no establishment in India , the recipient of such services in India is liable to pay Service Tax,;
- (ii) For the services in relation to Insurance Auxiliary Service by an Insurance Agent , the Service Tax is to be paid by the Insurance Company
- (iii) For the taxable services provided by a Goods Transport Agency for transport of goods by road, the person who pays or is liable to pay freight is liable to pay Service Tax , if the consignor or consignee falls under any of the seven categories viz. (a) a factory (b) a company (c) a corporation (d) a society (e) a co-operative society (f) a registered dealer of excisable goods (g) a body corporate or a partnership firm
- (iv) For the taxable services provided by Mutual Fund Distributors in relation to distribution of Mutual Fund the Service Tax is to be paid by the Mutual Fund or the Asset Management Company receiving such service.

[Refer: Sec. 68(2) of the Act read with Rule 2(d) of the Service Tax Rules, 1994.]

1.3. Under what authority service tax is levied?

Vide Entry 97 of Schedule VII of the Constitution of India, the Central Government levies service tax through Chapter V of the Finance Act, 1994. The taxable services are defined in Section 65 of the Finance Act, 1994. Section 66 is the charging section of the said Act.

1.4. What are the taxable services?

Taxable Services have been specified under Section 65(105) of the Finance Act, 1994. All the taxable services as on 31.12.2008 are listed in **Appendix-1**. The list also shows the **relevant** Accounting Heads required to be mentioned on the tax payment documents (GAR-7), while depositing the Service Tax and other related dues in the banks.

1.5. How to decide whether Service Tax is payable by a person?

A. If you are engaged in providing a service to your customer, please check:-

- (i) Whether the service rendered by you is falling under the scope of any of the taxable services listed in the **Appendix-1**; and
- (ii) Whether there is a general or specific exemption available for the category of service provided under any notification issued under section 93 of the Finance Act, 1994.
- (iii) Whether you are entitled to the value based exemption available for small service providers under notification No.6/2005-ST dated 1.3.05 as amended from time to time. Details are explained in para 8.1 of this Booklet.
- (iv) Whether the service charges were received for the services provided or to be provided.

In case the service provided by a person falls within the scope of the taxable services and if such service is not fully exempted, the service tax is payable on the value of the taxable service received, subject to the eligible abatements, if any (please also see **Q. No. 1.7**)

B. If you are availing the services of the service provider, please check:-

- a. Whether the service received by you is falling under the scope of any of the services *where the recipient of the service is liable to pay Service Tax* in terms of Section 68(2) of the Act read with Rule 2(d) of the Service Tax Rules, 1994 (Please also see **Q. No.: 1.2**).
- b. In case the service received by recipients of such service is falling under the scope of any of the taxable services defined under section 65 of the Finance Act, 1994, the recipients of the service shall pay Service Tax after considering specific exemptions/abatements admissible, if any.
- c. Please note that the value based exemption for small scale service providers under Notification No.6/2005 ST dated 01.03.2005 effective from 01.04.2005 is **not admissible** to such recipients of taxable services. (For further details, please see the answer to **Question No.7.1**).

At present, the effective rate of Service Tax is 12.36% on the value of the taxable service. The above effective rate comprises of Service Tax @12% payable on the “gross value of taxable service”, Education Cess @ 2% on the service tax amount, and Secondary and Higher Education Cess @ 1% on the service tax amount.

- ii. For certain services, a specified percentage of abatement is allowed from the gross amount collected for rendering the services (see Appendix – 2) subject to the conditions, *inter alia*, that CENVAT Credit has not been availed by the service provider and the benefit under the Notification No.12/2003-ST dt. 20.6.2003 has also not been availed.

- iii. **There is also a composition scheme for ‘works contract service’, where the person liable to pay service tax in relation to works contract service shall have the option to discharge his service tax liability on the works contract service provided or to be provided, instead of paying service tax at the rate specified in section 66 of the Act, by paying an amount equivalent to 4% of the gross amount charged for the works contract. The gross amount charged for the works contract shall not include Value Added Tax (VAT) or sales tax, paid on transfer of property in goods involved in the execution of the said works contract.**

1.8. Can the Department modify the value determined by the service provider?

- (i) The Central Excise Officer is empowered to verify the accuracy of any information furnished or document presented for valuation.
- (ii) If the value adopted by the Service Tax assessee is not acceptable in accordance with the statute, the officer shall issue a show cause notice (SCN) proposing to determine the value as per the law.

In any case, a non-designated bank will not accept service tax challans.

3.8. Whether the payment of Service Tax is to be made for the billed amount or for the amount received?

The Service Tax for a particular period is payable on the amount / value of taxable service received during that period and not on the gross amount billed to the client.

Service Tax is to be paid on the gross value of taxable service which is charged by a Service Tax assessee for providing a taxable service. Income tax deducted at source is includible in the charged amount. Therefore, service Tax is payable on the gross amount including the amount of Income Tax deducted at source also.

3.13 What is the interest rate applicable on delayed payment of Service Tax?

Every person, liable to pay the service tax in accordance with the provisions of section 68 of the Act or rules made thereunder, who fails to credit the tax or any part thereof to the account of the Central Government within the period prescribed, shall pay simple interest @ **13% per annum**. 7.2. How does one work out the Service Tax liability and pay the same to the Government, in case the customer or a client pays only the value of the service amount, but not the Service Tax amount mentioned in the bill?

Service Tax is payable on amount realized. In given situation, the amount so realized from the client would be treated as gross amount inclusive of Service Tax and accordingly the value of taxable service and the Service Tax liability are worked out as follows: For example :

Value of taxable service (AV) = Rs. 1000
 Amount Billed = Rs. 1000 + Service Tax Rs. 123.60 = Rs. 1123.60
 Amount paid = Rs. 1000. Treat Rs. 1000 as gross amount inclusive of service tax.

In case the gross amount, including service tax, received is, say, Rs 1000. In such cases the service tax liability may be arrived at by reverse calculation in the following manner.

$$AV = \frac{1000}{112.36} \times 100 = \text{Rs. } 889.996 \text{ (Rs. } 890)$$

Amount of Service Tax + Education Cess Payable = Rs. 110

Note: If the recipient of service pays full billed amount later, the differential service tax must be paid forthwith.
